

Strategy Supports for Charitable Clinics

<p>* Our Community Mission</p> <ul style="list-style-type: none"> <input type="checkbox"/> At Community Health Solutions (CHS) we help people create strong nonprofits and healthier communities. <input type="checkbox"/> Over the past 20 years we have helped hundreds of community-focused organizations accomplish their goals. <input type="checkbox"/> In this fact sheet we outline CHS supports for charitable clinics. 	<p>* 3. Develop Organizational Capacity</p> <p>Once a strategy is designed the next step is to develop organizational capacity for execution. CHS can help you:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Assess organizational learning needs <input type="checkbox"/> Design organizational learning supports <input type="checkbox"/> Implement learning supports including virtual training, tutorials, coaching, and technical assistance. <input type="checkbox"/> Evaluate the impact of organizational learning. <p>A partial list of organizational learning topics includes:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Strategy development <input type="checkbox"/> Design thinking <input type="checkbox"/> Leadership development <input type="checkbox"/> Team development <input type="checkbox"/> Program design <input type="checkbox"/> Program evaluation <input type="checkbox"/> Quality improvement <input type="checkbox"/> Workflow improvement <input type="checkbox"/> Key performance indicators 		
<p>* Our Support Model</p> <p>We use a proven support model to help charitable clinics accomplish their goals for organizational performance and community health improvement. We can help you:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Assess organizational readiness <input type="checkbox"/> Design organizational strategies <input type="checkbox"/> Develop organizational capacity <input type="checkbox"/> Execute for results <input type="checkbox"/> Evaluate impact 	<p>* 4. Execute for Results</p> <p>Once the strategy is defined, execution is everything. CHS can help you:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Assure that staff are equipped for execution <input type="checkbox"/> Assure that key resources are becoming available <input type="checkbox"/> Assure that key strategies are being executed <input type="checkbox"/> Assess whether key outputs, outcomes and impacts are being achieved <input type="checkbox"/> Make strategic adjustments based on feedback and evaluation. 		
<p>* 1. Assess Organizational Readiness</p> <p>A logical first step is to assess the charitable clinic's readiness to accomplish the mission in the current and emerging environment. We can help you:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Scan the strategic environment <input type="checkbox"/> Assess internal capabilities <input type="checkbox"/> Identify strategic opportunities and threats <input type="checkbox"/> Consider strategic readiness under various future scenarios <input type="checkbox"/> Decide priorities for improving strategic readiness 	<p>* 5. Evaluate Impact</p> <p>In today's funding environment it is essential to demonstrate effective management and community impact in order to sustain the charitable clinic. CHS can help you:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Identify key audiences for performance reporting <input type="checkbox"/> Define key indicators of effective management <input type="checkbox"/> Define key indicators of positive community impact delivered by the charitable clinic <input type="checkbox"/> Develop systematic methods and tools for producing key indicators <input type="checkbox"/> Develop reports that are strategically designed to demonstrate value to key audiences.
